

International Shanghai Football Club

To All Football players age 16 and under.

The ISFC would like to invite you to a **Free** trial session at Century Park (Century Park Gate #4, Fang Dian Lu/ Hua Mu Lu).

- **Friday September 23rd 17:30-19:00**
- **Friday September 30th 17:30-19:00**

At ISFC we know that it is difficult to find opportunities to continue playing football as players get to be 14 years old and above. We would like to try and help provide committed players in this age group with a chance to keep training and keep playing football here in Shanghai.

We also know that many players would like to have the chance to maintain their skills and fitness, for a chance to continue playing in club or college programs when they leave Shanghai.

In an interest to quickly help provide a training environment, the ISFC is holding two free trial sessions at Century Park in PuDong (Century Park Gate #4, Fang Dian Lu/ Hua Mu Lu).

- **Friday September 23rd 17:30-19:00**
- **Friday September 30th 17:30-19:00**

In order to be able to have a meaningful training group and to be able to form match and tournament squads, we need to have approximately 15

players in the group. So bring your friends along.

Please feel free to share this document with any interested players and parents.

For additional information or if you can not make one of the trials, please contact Coach Markus Barone: markus@sportforlife.com.cn
